Certificate of Internship

This is to certify that **Mr. Dhairya Desai** successfully completed an internship at **UPSTAGEX PRIVATE LIMITED** as **Engineering Intern**, from **16th June 2026** to **14th August 2026** (60 days).

During the internship, Dhairya was designated to the Engineering & Support Team and contributed to the following areas:

- **Product Engineering:** Contributed to feature development and day-to-day engineering tasks across the product.
- **Code Quality & Collaboration:** Worked with the team on code reviews, version control practices, and issue resolution.
- **Professional Learning:** Gained practical exposure to remote workplace processes, team coordination, and professional engineering standards.
- **Overall Performance:** We are happy with the work and dedication shown throughout the internship.

This engagement was strictly in the nature of an internship for learning purposes and did not constitute an employment relationship.

We appreciate Dhairya's time, effort, and contribution, and wish him the very best in his future academic and professional journey.
